

Dear Friends of BCS YES!

We are pleased to report on the success of the first annual Box City Event and Agape Benefit Concert held on March 27, 2010.

Sponsored by the Youth of St. James Lutheran Church in Limerick (stjameslimerick.com), the Box City Event and Concert raised an impressive \$4,000 for BCS YES! Thank you to all who participated in the event.

We acknowledge the leadership of Gary Schaeffer, Director of Children, Youth and Family Ministry at St. James, St. James' Pastor Stuart W. Luce, and Agape, a Christian hip-hop music ministry, for making the Box City Event possible. (hiphopoutreach.com).

Proceeds from the Event will be used to sponsor our annual all-resident Christmas Party.

Should your Church, Team, Community Group, Family, or Business wish to sponsor an event on behalf of BCS YES!, please contact Cheryl Barber, Development Director at development@baptistchild.org to share your ideas.

Benefit events are an important part of the BCS YES! fundraising program.
